London Is Hopeful.  
London is inclined to the belief that Greece will finally side with the entente allies, and British journals are urging the government to land imposing forces at Saloniki, supported by a powerful fleet.

Troops Arriving.  
Athens reports that British forces have begun to arrive at Saloniki, and that the French troops which have already passed into Serbian territory, have been enthusiastically received.

Use New Kind of Gas.  
A Paris communication says that a new kind of gas, dark green in color and of a pleasant odor, has been used by the Germans in the Champagne district. MONDAY CHICAGO WHALES-DIXON ALL-STAR GAME IS ATTRACTION.

# SPECIAL CAR FROM STERLING

Dixon will be the center of attraction for baseball fans of this vicinity next Monday when the Chicago Whales, champions of the Federal league, come to this city for an exhibition game with an all-star Dixon aggregation. A movement to have all of the business houses of the city close from 2 to 5 o'clock in order that everyone may see the game is now being agitated, with indications that the merchants will lend their assistance to the local baseball association which has encountered a big financial loss during the season.

The game has been extensively advertised within a radius of fifty miles, with the result that fans everywhere in this section will know of the game, many many will doubtless attend. A special car will be run from Sterling at 1 o'clock Monday afternoon for the many Sterling fans who will undoubtedly come to Dixon to take in the game.

# FIRED ON FREIGHTER IN MEXICAN WATERS

BRITISH SHIP SAN MELITO ATTACKED AT NIGHT—ONE MAN KILLED.

(Associated Press)  
Rio de Janeiro, Oct. 7.—The British freighter San Melito arrived here today. The captain reported that soon after leaving Tuxpan, Mex., the vessel was attacked during the night by an unknown craft and that eight projectiles were fired against her sides, one sailor being killed and six wounded.

The vessel was damaged but escaped. Since the internment of the last of the German cruisers at Newport News there have been no indications of any German war craft on the Atlantic, but numerous oil boats have recently been fired upon in the vicinity of Tuxpan by armed craft of the Mexican factions.

# PRESIDENT SHOWERED WITH GOOD WISHES

ANNOUNCEMENT OF HIS ENGAGEMENT TO MRS. NORMAN GALT MADE

TO BE MARRIED IN DECEMBER

Bride-to-Be Has Been Widow Eight Years—Met Through Daughter

(Associated Press)  
Washington, Oct. 7.—Officials, diplomats, friends and relatives united in congratulating President Wilson on the announcement of his engagement to Mrs. Norman Galt, widow of a Washington business man.

Mrs. Galt is thirty-eight years of age, a rare beauty and possessor of unusual gifts of character. The announcement of their engagement is regarded as a certain forerunner of a resumption of social activities at the White House.

The first public appearance of the president and his fiancée will probably be at the world's series baseball game at Philadelphia Saturday. The official announcement of the engagement was made from the White House last evening, as follows:

"The White House, Washington, Oct. 6, 1915. The announcement was made today of the engagement of Mrs. Norman Galt of this city to President Woodrow Wilson."

Mrs. Galt, who will be the next first lady of the land, is the widow of a business man of Washington, Norman Galt, a partner in a prominent jewelry firm, who died eight years ago. She has resided here since her marriage. Mrs. Galt was Miss Edith Roling and was born in Wytheville, Va. Her father was William H. Bolling, a well-known lawyer of that section of Virginia. Her family is distinguished in Virginia, and Mrs. Galt is related to many of the best families of the Old Dominion.

Met Bride-to-Be Through Daughter.

The President met his fiancée through his daughter, Miss Margaret Wilson, and his cousin, Miss Helen Woodrow Bones, who is a member of the White House household. Mrs. Galt is one of Miss Bones' most intimate friends, who spent a month at the summer White House at Cornish as the guest of Miss Bones and Miss Wilson.

It is understood that Mrs. Galt and the President have intellectual tastes in common and the President has been a frequent dinner guest at the Galt household during the season which has just passed.

An informal dinner party was given at the White House last night, which Mrs. Galt attended, to celebrate the announcement of the engagement.

The other guests were Secretary of the Treasury and Mrs. McAdoo, the Misses Smith, the President's cousins from New Orleans; Miss Helen Woodrow Bones and Colonel H. Brown, another cousin from Atlanta. It is understood that the announcement was made because of the impending departure of Secretary and Mrs. McAdoo to the Pacific coast, where the Secretary will conduct an inspection tour of public buildings. The Secretary and Mrs. McAdoo will leave on Friday.

Mrs. Wilson Died 14 Months Ago.

Fourteen months ago to a day the President's first wife, who was Miss Ellen Axson, died in the White House. For many months the President maintained the strictest mourning. Late last spring, it was observed that the charming friend of Miss Bones, his favorite cousin, was a frequent guest not only at the White House, but in the Presidential box at the baseball games. Rumors of an existing engagement between the President and Mrs. Galt were then circulated.

These rumors were heightened when it was learned that Mrs. Galt was a house guest at Cornish and that the President paid her marked attention. It is understood now, however, that the romance did not begin to ripen until the Cornish visit. Mrs. Galt and the President each day were companions on long rides through the sunlit hills of Vermont and New Hampshire.

Mrs. Galt was present and assisted in receiving at the garden party given by Miss Margaret Wilson last summer—the first social event since the death of Mrs. Wilson—to the artist colony of that locality which was held in the grounds of Harlakenden House.

Wore Mourning for Eight Years.

Soon after the garden party Mrs. Galt left Cornish and returned to Washington. After a short stay here she went to Ocean City, N. J., with her mother, where she remained until the latter part of September, when she returned to Washington in time to view the G. A. R. parade from the presidential grandstand. Mrs. Galt had a box in the grandstand, where with her mother, she entertained a party of friends, but she did not appear in the President's box.

# INDIANA HONORED JAMES RILEY TODAY

ENTIRE STATE JOINED IN CELEBRATION OF POET'S BIRTHDAY.

(Associated Press)  
Indianapolis, Ind., Oct. 7.—James Whitcomb Riley's 62nd birthday came today and just to make it more memorable than any that has preceded it, the entire state joined in celebrating it.

This year was picked for honoring the poet because the citizens of Indiana wished to pay him tribute while he would be fully able to take part in and enjoy it. In addition to the weight of years Mr. Riley has felt the burden of ill health. He has reached that season of life "when the frosts are on the pumpkin" and "the toddler is in the shock," and the state of his birth and life-long residence felt that it didn't want to delay longer the complete and formal expression of its love for him.

Governor Samuel M. Ralston recently issued a proclamation asking every community in the state to set aside the day for honoring "Indiana's most beloved citizen." His plan was to have business suspended as much as possible. The proclamation is being generally observed in every city, town and village, from Indianapolis down to Greenfield, where Mr. Riley was born.

# BLOOMINGTON MAN IS CHAMP CORN GROWER

L. D. YOUNG AWARDED MEDAL—RAISED 196 BUSHELS IN ONE ACRE

(The Associated Press)  
Springfield, Ill., Oct. 7.—The champion corn grower of Illinois is L. D. Young, of Bloomington, who won his title by raising 196 bushels of corn on one acre of land. The Panama Pacific International Exposition has just sent a bronze medal to Governor Dunne, with the request that it be presented to Mr. Young.

Governor Dunne said today he would present the medal to Mr. Young at the next large gathering of farmers, as he felt that much good would be done if Mr. Young's gospel of corn raising were spread about the state.

Mr. Young was declared the champion corn grower of Illinois by the National Pot Notch Farmers' club which includes in its membership only men and boys who have grown more than 100 bushels of corn to the acre, or have made similar record crops of another character.

In a letter to Co. Charles F. Mills of Springfield, national secretary of the organization, Mr. Young said he raised his big crop simply by careful field cultivation.

# LOWDEN STANDS FOR ENFORCEMENT OF LAW

IS EMPHATIC IN STATEMENT CONCERNING ATTITUDE OF CITIZENS.

LIQUOR LAWS NO EXCEPTION

Says He Will Enforce All Laws of the State If He Is Elected Governor.

Chicago Tribune: Frank O. Lowden took to the open last night in a declaration for law enforcement—particularly the Sunday closing law—if nominated and elected governor.

"If I am elected governor, I shall perform this duty without fear and without favor," Mr. Lowden said in a statement wired to the Tribune from Sinsinimie farm, near Oregon, Ill.

The Lowden affirmation, couched in the terms which it contains, is diagnosed, politically, as a substantial announcement of his candidacy for the governorship and a logical follow-up of Mayor Thompson's dry Sunday ultimatum. It is certain to precipitate immediately the republican governorship contest and settle for once and all that the wet and dry question is to be the dominant issue of the 1916 campaign in Illinois.

Inquiries Sent Candidate

Mr. Lowden's statement was made promptly in reply to a telegram of inquiry from the Tribune sent in identical terms to all formally announced and prospective candidates for the republican nomination for governor.

This query was prompted by repeated statements of men closely involved in local and state politics that the next development politically, as a result of the Sunday-law order, would be a definite espousal by Col. Lowden of the law-enforcement doctrine.

Lowden's Answer Emphatic.

Here is Mr. Lowden's answer to the Tribune telegram:

"There can be no dispute between good citizens as to the question of the enforcement of the law. As executive, if I should be nominated and elected, it would be my duty to invoke and employ whatever power is vested in the office by the constitution and the laws to execute and enforce the laws and this duty would apply to the Sunday closing law as well as to any other. If I am elected governor I shall perform this duty without fear and without favor."

It was decided to give the teachers two days off, Thursday and Friday, October 21 and 22, as a visiting day in which to attend the annual meeting of the Northern Illinois Teachers association at Rockford, Oct. 21-23. This will give the children a vacation from school on these two days.

Superintendent W. R. Snyder reported that the boys in the manual training department were making progress and that apparatus for the play ground was now under way. It is hoped to have some of the apparatus on the grounds yet this fall. The domestic science classes have not yet got a good start and so far the work has been along technical lines.

The raid is an echo of the recent municipal campaign when the Law Enforcement League ticket was defeated by nearly 19,000 majority. It is their first appearance since that time. Police officials declare the gambling paraphernalia is dusty from old age and has not been in service for years, and that it was merely stored in vacant rooms.

# COURT DIRECTED FARM VERDICT

Instructed Jury To Find For Defendant in Fister-Santee Action

The testimony in the case of Alfred Fister against James M. Santee was finished in the circuit court this morning, at the conclusion of which the court instructed the jury to find for the defendant. The suit grew out of a land transaction and the plaintiff alleged that there was not as much land in the farm as had been represented to him at the time the contract for sale was entered into.

The damage suit brought by Cary B. Keleher against the Sanitary Creamery company of Amboy and set for hearing in court today was settled out of court and the suit was dismissed at the plaintiff's costs. By agreement of attorneys the first criminal case to be heard this term was taken up in court this afternoon, being that of Robert Jones and Earl Thompson, indicted by the grand jury on the charge of burglary and larceny. The boys are charged with having stolen lumber from the yards of the Wilbur Lumber Co., and from Wm. Greig, with which they had started the erection of a little hangar for themselves on the island west of the Illinois Central bridge.

There is another indictment hanging over Jones, in which he and Nelson are charged with having stolen blank checks and bedding from the office of the Dixon Pure Ice Co. Attorney H. A. Brooks represents Jones and Attorney Grover Gehant is for Thompson, while States Attorney Harry Edwards will prosecute the case.

## Outfields Will Play Big Part In Coming World's Series

(Associated Press)

New York, Oct. 7.—The outfields of the Red Sox and the Phillies are expected to play roles of unusual importance in the coming world's series between the Boston Americans and the Philadelphia Nationals. No other department of the rival teams can show the collection of stars that will be found among the eight players who are available for places in the outer gardens. Mention need only be made of Tris Speaker and Harry Hooper for the Carrigan forces and Cactus Garry Cravath, Pat Moran's home run slugger, in order to establish the high standard of these two outfields.

As to which is the stronger in all-around offensive and defensive play there is much argument, but such advantage as may exist is generally conceded to the Red Sox. Each club has a regular fielding trio and one utility player, the line-up being as follows: Boston: Hooper, right field; Speaker, center field; Lewis, left field, and Henriksen, utility fielder; Philadelphia: Cravath, right field; Paskert, center field; Whitted, left field, and Becker, utility fielder.

Eliminating the two fielders and considering the outfield as units, the unofficial averages for the season show that Boston has a twenty point advantage in batting strength while the Philadelphia trio is five points stronger in fielding. The Red Sox combination is also stronger on the paths since it is credited with having stolen 54 bases to the Phillies 43. In extra base hits the winners of the American league pennant outclass the senior league flag bearers in ability to drive out two and three base hits but fall behind the Phillies in home runs due in great part to the terrific slugging of Cravath on his home grounds.

Considered individually the outstanding strength of the Red Sox is more apparent. In right field Hooper will be opposed by Cravath and in the records the former has the advantage of stolen bases, sacrifice hits and fielding while the Phillies player outshines the Red Sox fielder as a batter. The fielding averages of the pair are: Hooper .974; Cravath .958, while the batting ability of these fielders is indicated by Cravath's average of .277 against Hooper's .242.

At center Tris Speaker has the advantage of Bode Paskert in batting, fielding and base stealing. Speaker has hit .323 during the league season, scoring 22 two baggers, 12 three baggers, 17 sacrifice hits, 28 stolen bases and 106 runs in 539 times at bat. In 290 times at bat Paskert scored 70 hits, 41 runs, 9 stolen bases, 25 sacrifice hits, 14 doubles, 3 triples and a like number of home runs, giving

## MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

If cross, feverish, sick, bilious, clean little liver and bowels

Children love this "fruit laxative" and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half sick, feverish, don't eat sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhea. Listen, Mother! See if tongue is coated, then give teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

#### D. A. R. Held Meeting

The Daughters of the American  
Revolution held the opening meeting  
of the year Saturday afternoon at  
the beautiful home of Mrs. S. S.  
Dodge. The hostesses were Mes  
dames Dodge and Grose and Miss  
Anderson.

#### Objects of Society

The objects of the society are:

(1) To perpetuate the memory of  
the men and women who achieved  
American independence, by the acqui  
sition and protection of historical  
spots, and the erection of monu  
ments; by the encouragement of his  
torical research in relation to the Re  
volution and the publication of its  
results; by the preservation of docu  
ments and relics, and the records of  
the individual services of Revolu  
tionary soldiers and patriots, and by  
promotion of celebrations of patri  
otic anniversaries.

(2) To cherish, maintain, and  
of Washington in his farewell ad  
dress to the American people, "to  
promote, as an object of primary im  
portance, institutions for the general  
diffusion of knowledge," thus devel  
oping an enlightened public opinion,  
and afford to young and old such ad  
vantages as shall develop in them the  
largest capacity for performing the  
duties of American citizens.

(3) To cherish, maintain, and  
extend the institutions of American  
freedom, to foster true patriotism  
and love of country, and to aid in se  
curing for mankind all the blessings  
of liberty.

#### Favor Marking Historic Sites

During the business part of the  
program, Mrs. Law presented the  
subject of suitably marking the site  
of the Old Block House which was  
the head quarters for so many nota  
ble officers and soldiers during the  
Black Hawk War in 1832, and as  
this location is on the Lincoln High  
way a little northwest of the north  
approach to the Galena avenue  
bridge, and as in two years the  
state of Illinois will celebrate the  
hundredth anniversary of her admis  
sion into the union, the present time

seems most fitting to begin work  
which will perpetuate one of the  
most notable places and events in  
the state's history.

The question was very fully dis  
cussed and a motion adopted that  
the Dixon Chapter D. A. R. bend ev  
ery energy and influence the coming  
year to promote and forward this  
most important and patriotic object.

#### Others Invited to Help

The other patriotic organizations  
of Dixon, not only of women but al  
so of men, and in fact all citizens,  
are urged to assist in the accomplish  
ment of a work which will be a cred  
it to the city, county and state at  
large.

#### State Delegates Chosen

Delegates were elected to the state  
conference which will meet in Bloom  
ington, October 20 and 21. The re  
gent is a delegate by virtue of her  
office, Miss Pankhurst was elected,  
the second delegate, alternates were  
as follows: Mesdames Thompson,  
Petrie, Dodge and Barlow. The mu  
sic of the afternoon was furnished  
by Miss Kenneth, whose singing  
charmed her hearers. Her voice has  
improved since she appeared before  
the D. A. R. Miss Ahrens was the  
accompanist and her performance  
gave great credit to one so young.  
It is a most rare accomplishment to  
be a good accompanist. Mrs. Petrie  
gave a very enjoyable and instruc  
tive paper upon "The American  
Eagle and Significance of the U. S.  
Flag," which closed with a poem.

A large amount of sewing was com  
pleted for the hostess, a comforter

accomplished. When the noon hour  
arrived the twenty-two members and  
two guests, Mrs. McWethy and  
daughter, Miss Marcia were ushered  
into a veritable "Harvest Home" how  
er.

The dining room had received a  
very beautiful treatment. Boughs  
the apple tree, laden with red apples  
and stalks of wheat formed the beau  
tiful fresco about the room, and en  
hanced the appetite for the good  
things upon the table. Following the  
dinner the usual program was given  
and business session held.

Several vocal duets, beautifully  
harmonious, were given by the Mis  
ses Marcia McWethy and Ora Floto,

GERMANY LOOKING FOR TRADE.

Whatever the outcome of the war, Germany will be in a position to undertake a vigorous trade campaign immediately following the declaration of peace, is the opinion of A. R. Marsh, editor of the Economic World. Mr. Marsh, who spent many years in Germany as a student, gathers his information from technical and scientific magazines published in Germany. He says that representatives of German firms are in this country seeking information as to the most salable goods. "It has come to my knowledge," he declares, "that representatives of German iron and steel factories are already in this country. They are asking for the specifications of semi-manufactured products, such as piping, boiler tubes, steel rails and the like. They have canvassed many buyers and have said to them: 'If you will give us an idea of what you want, we promise you that as soon as peace is declared we will offer you materials at a price that nobody can touch.'"

Mr. Marsh thinks that the situation in Germany after the war will be that she will have none of the great raw materials such as cotton, copper, zinc, jute, etc., but that she will have huge quantities of finished steel products, potash, dyestuffs, toys, etc., for when the steel and other mills have not been required to work on war orders they have been busy turning out and piling up products that are in demand in the markets of the world. "The German government," says Mr. Marsh, "is backing up the manufacturers in order to keep all persons not in the army busily at work. The reason for this is clear. At the end of the war Germany must have, as I estimate it, about \$1,000,000,000 worth of raw materials with which to start her industries again. If she can dump suddenly on a great market like that of the United States, the articles which she has been making during the war, a very large amount of cash will be available to buy raw materials."

What sort of protection will the Underwood tariff afford us in this contingency?

STILL THEY COME.

Philip W. Carter of Newton, Mass., who was one of the organizers of the Progressive party in Massachusetts and who for the last three years has served as a member of the state committee, as treasurer of the 13th district congressional committee and later as treasurer of the financial auditing committee, has returned to the Republican fold. Mr. Carter made his purpose known through a letter to a Republican friend. "My reasons for severing relations with the Progressive organization at this time are twofold," he wrote.

"First of all, it is apparent that the Progressive party is no longer held in respect by the vast majority of the voters in this state. My second reason for leaving the party at this time is my conviction that this is a two-party country. I doubt if a third party can ever survive. In the future I look to a line-up of the radicals on the one hand and the conservatives on the other."

"There is no chance to accomplish anything by continuing to act as an 'assistant Democrat.' Should I be asked by my old Republican friends why I did not join the Democratic party, in view of the fact that their platforms more nearly resemble the Progressive platform, I would reply that I am not joining them, because the Democratic party is at heart more reactionary."

## Dramatic Notes

PRINCESS THEATRE.

Tonight the Princess will show another of its fine three reel features, entitled "The House With Nobody In It," with Frank Whitson and Ivy Troutman in the leading roles, a story of a wealthy young artist who at last finds the girl of his dreams, together with happiness. This feature is a Rialto production and abounds in splendid stage settings, together with clever interpretations. The other picture for the evening is a very funny Keystone comedy entitled "Some Nerve" with an all star cast of Keystone players.

FAMILY THEATRE.

The new vaudeville bill which opens at the Family for the last half of the week will include Redwood & Gordon, man and woman, comedy singing, talking and musical act; Jack Finley, a very good comedian and dancer; the Broadway Comedy Four who are the headliners of every bill in which they take part. They are sought after by vaudeville managers, with harmonious voices and the applause they received this afternoon was prolonged until they were forced to respond to encores. They have a funny line of comedy and their songs are full of life and harmony, and Pat and Julian La Vola, sensational wire act. Pictures to this evening will be the celebrated six reel comedy, "Are You a Mason?" with John Barrymore in the leading role, a brief synopsis of which follows:

In "Are You a Mason?" Mr. Barrymore portrays the character of Frank Perry, a dashing young married man of exuberant spirits and vivid imagination. When his wife announced that

her chief desire in life was to have him become a Mason, Perry grasps the opportunity it affords for staying out several nights, explaining his numerous absences from home by the logical statement that he is spending his evenings at the Masonic Lodge, undergoing the ordeals of initiation.

One night wifely delightfully announces that her father, Grand-Master of the Masons, is coming to visit them. Perry's agonized efforts to keep his father-in-law from discovering his deception, and the fearful tangles in which he becomes involved thereby, culminate in a situation which is one of the funniest climaxes ever conceived, furnish the humor of the farce, which is further heightened by the fact that the "grand-master" has also deceived his family, is not a Mason, and is constantly manufacturing other deceptions to safeguard his first falsehood.

How he is finally caught and cornered by his clever son-in-law, who emerges victoriously from the chaos he has created, ends the comedy in a roilingly laughable manner.

Business Meeting

A business meeting of the Mississippi Campfire girls was held yesterday with their guardian, Miss Petersberger. Plans were made for a cake sale.

## How To Get Rid of a Bad Cough

A Home-Made Remedy that Will Do It Quickly. Cheap and Easily Made

If you have a bad cough or chest cold which refuses to yield to ordinary remedies, get from any druggist 2½ ounces of Pinex (50 cents worth), pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking a teaspoonful every hour or two. In 24 hours your cough will be conquered or very nearly so. Even whooping cough is greatly relieved in this way.

The above mixture makes a full pint—a family supply—of the finest cough syrup that money could buy—at a cost of only 54 cents. Easily prepared in 5 minutes. "Full" directions with Pinex.

This Pinex and Sugar Syrup preparation takes right hold of a cough and gives almost immediate relief. It loosens the dry, hoarse or tight cough in a way that is really remarkable. Also quickly heals the inflamed membranes which accompany a painful cough, and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. Excellent for bronchitis, spasmodic croup and winter coughs. Keeps perfectly and tastes good—children like it.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in vitamin, which is so healing to the membranes.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex"—do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

of Eureka, Mont., has been received by Dixon friends. Miss Weil will wed Gary Horskettle of Bend, Oregon on Oct. 15th. The wedding will take place in Eureka at the Chapel of St. Michael and All Angels After Dec. 1, Mr. and Mrs. Horskettle will be at home at Bend, Ore. Miss Weil's father was connected with the Alexander Lumber Co. while here.

## ALLIES IN NEW DRIVE FORGE KAISER BACK

French Reach Summit of Tahure Hill in Champagne.

London, Oct. 7.—The allies have resumed their smashing offensive on the western front.

Along the whole front, from Belgium to the Vosges, violent bombardment has been in progress for more than forty-eight hours. British warships are shelling German positions on the Belgian coast. In the Champagne region the French have renewed their infantry drives.

French troops in a new drive on the Champagne front have captured the Village of Tahure Hill, which is one of the dominating points in the German's second line.

On the outskirts of the Navarin farm the French also have advanced their positions, and have captured in this region more than 1,000 prisoners. The attack on Tahure was preceded by more than forty-eight hours of ceaseless artillery fire which battered the German positions with a hail of shells and shrapnel.

Killed by Car That Was Racing.

Anderson, Ind., Oct. 7.—Sanford Mohler, fifty-nine years old, a farmer near here, is dead of injuries sustained Sept. 29, when he was struck by an automobile as he was walking home from a Democratic barbecue at Elwood. He said the car was racing with another machine and neither of them stopped.

## GOOD TREATMENT FOR OILY SCALPS

MAKES HAIR FLUFFY AND EASY TO MANAGE.

Men and women whose hair and scalp are excessively oily have hard work keeping their hair in good condition. Dust and dirt mingle with dandruff, cling to the oily hair and scalp, clog the scalp pores, stiffen the hair roots and make proper cleansing almost impossible.

Parisian Sage is an ideal treatment for this trouble. Wash the hair not oftener than once a week, but use Parisian Sage twice daily, pouring a little into the parted hair and rubbing briskly right into the scalp with the finger tips. It drives out dandruff, dissolves the excess oil and stimulates the scalp into healthy normal action. This simple remedy can be obtained from Rowland Bros. or any drug counter and is very inexpensive.

**"MAKING GOOD" MAKES FRIENDS.**

There is no way of making lasting friends like "making good." After more than four decades of popularity friends here in Illinois are numbered by the thousands.

Aurora, Ill.—"Having had the 'Common Sense Medical Adviser' in my home for years I am in a position to know about Dr. Pierce's remedies. I used 'Golden Medical Discovery' when under a doctor's care in Berwick, Warren County, Ill. My doctor suggested using it, and I found it was the right remedy. Three or four bottles improved my general health and I was made much better and stronger. It did not disappoint me in any way."—Mrs. Mary C. Hall, 139 Benton St., Aurora, Ill.

Freeport, Ill.—"My husband took Dr. Pierce's Golden Medical Discovery some years ago for a general run-down condition from inside work. He took two bottles of the medicine and was then in fine condition and has been perfectly well ever since."

"I have recommended it to many friends and will again recommend it."—Mrs. W. A. Sproukson, 26 Crocker St., Freeport, Ill.

There is not a drop of alcohol or any narcotic in Dr. Pierce's Golden Medical Discovery, but in this safe vegetable remedy and tonic there is a mighty alternative power which by replacing the blood impurities with pure, rich blood, not only ends catarrhal conditions wherever located, but vitalizes the kidneys, stomach, liver, bowels and every organ of the body.

All dealers in medicines can supply Dr. Pierce's Golden Medical Discovery, or send 50 cents in one-cent stamps to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for trial box of tablets.

Any person desiring a copy of The People's Common Sense Medical Adviser before the edition is exhausted should send this notice, together with three dimes or stamps, to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and a copy will be sent by return mail, all charges prepaid.

**URNS UP TO SHARE IN \$400,000 ESTATE**

Man Wasn't Missing Too Long to Cut in On "Divy."

Peoria, Ill., Oct. 7.—Benjamin J. Larimore, son of the late Thomas Larimore of Elm Grove township, in Tazewell county, supposed to have died in the west several years ago, appeared at Pekin, Ill., and started proceedings to get his share of his father's estate, valued at upwards of \$400,000.

Larimore mysteriously disappeared from his home several years ago and nothing had been heard of him since, excepting a message stating that he was dead.

At the time Larimore disappeared he left two small children. A sister took them into her family and reared them and three months ago brought proceedings in the county court to be allowed to adopt them, and for the appointment of a receiver to assume control of real estate from which the husband is entitled to the income.

**UGH! ACID STOMACH SOURNESS, HEARTBURN, GAS OR INDIGESTION**

The moment "Pape's Diapepsin" reaches the stomach all distress goes.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing sour to upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

**PRESIDENT TO VOTE FOR WOMAN SUFFRAGE**

Will Cast Ballot as Mere Citizen in New Jersey.

Washington, Oct. 7.—President Wilson declared himself for woman suffrage. The President will vote for the suffrage state constitutional amendment in New Jersey, his home state, at the special election October 19.

"I intend to vote for woman suffrage in New Jersey because I believe that the time has come to extend that privilege and responsibility to the women of the state, but I shall vote not as the leader of my party in the nation, but only upon my private conviction as a citizen of New Jersey, called upon by the legislature of the state to express his conviction at the polls. I think that New Jersey will be greatly benefited by the change."

"My position with regard to the way in which this great question should be handled is well known. I believe that it should be settled by the states and not by the national government and that in no circumstances should it be made a party question, and my view has grown stronger at every turn of the agitation."

**Which Shall It Be?**

Do you intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cook stove?

You KNOW that old stove eats up a lot of fuel each year. You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs.

Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation—

**THE GREAT MAJESTIC MALLEABLE AND CHARCOAL IRON RANGE**

You make no mistake in buying the GREAT MAJESTIC—it's the range with THE REPUTATION—ask your neighbors. Then, too, it's made just right and of the right kind of material—MALLEABLE AND CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos—parts being malleable can't break—has a removable reservoir and an oven that doesn't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year (browns bread just right all over without turning), heats 15 gallons of water while breakfast is cooking—properly handled lasts a lifetime, and costs practically nothing for repairs.

Don't buy the range you expect to last a lifetime "unsight unseen;" you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC—have its many exclusive features explained—find out why the MAJESTIC is 300 per cent stronger than other ranges where most ranges are weakest.

## WHY WOMEN SUFFER

MANY DIXON WOMEN ARE LEARNING THE CAUSE

Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness, irregular urinary passages, weakness, languor—Each a torture of itself. Together hint at weakened kidneys.

Strike at the root—get to the cause. No other remedy more highly endorsed than Doan's Kidney Pills.

Recommended by thousands—Endorsed at home. Here's convincing testimony from a Dixon citizen.

Mrs. W. Geiger, 1218 W. Sixth St., Dixon, says: "I get a dull pain in my back, especially when I wash or sweep much. As soon as I feel one of these attacks coming on, I use Doan's Kidney Pills, which I procure at Leake Bros. Co.'s Drug Store and they never fail to remove the trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Geiger had. Foster-Milburn Co., Props., Buffalo, N. Y.
